Charkhari C.I.

The 11th. April 1938.

your Highness

It has given me great pleasure to receive Your Highness' kind letter of the 4th. April 1938, containing your consent to the marriage of your nephew, Prince Jaya Chamraj with the Princess of Jigni. As regards Your Highness' desire to have the marriage celebrated at Mysore, I may mention that it is directly opposed to the established custom of my House, but the reasons of your inability to stand such a long journey in the hottest part of the year, as explained in detail by the members of my deputation sent to you, make me agree to the departure from the custom out of respect to the wishes and convenience of Your Highness. As there is little time left for the date of the marriage, which is to take place on the 15th. of May 1938, I have already sent a telegram to Your Highness of even date which runs as follows :-

" Many thanks for Your Highness' kind letter of fourth. Proposals acceptable. Letter follows."

With best regards

Yours Sincerely

Ishwardan Singh
